Experience

Designer - Darkfin Studios

Summer 2019

Designed websites for clients. Participated in discovery sessions with clients to obtain accurate requirements that matched their business needs and vision. Produced websites in Webflow to meet client business needs.

UI Design Intern - PICS Telecom International

Summer 2018

Redesigned the UI for a customer facing web application. Collaborated with the IT team to ensure the design could be implemented quickly. Assisted front end development by implementing Material Design in Angular.

Teaching Assistant - Rochester Institute of Technology

Fall 2019 – Spring 2020

Assisted professors in teaching class content. Presented lectures to students when professors were away. Provided a student perspective on topics that greatly assisted students in understanding the material.

Extracurriculars

User Experience Club

Fall 2018 – Spring 2020

The User Experience Club presents weekly meetings on User Experience related topics. I was the President for the 18-19 school year and the Designer for the 19-20 school year. I lead meetings and made club posters for advertising.

IST Student Ambassador

Spring 2017 – Fall 2019

Student Ambassadors lead prospective students on tours of the department and act as liaisons between current students and the department. As an Ambassador, I hosted department Town Halls and brought student concerns to the head of the department.
